

SC ClayCon 2023 Hands-On Fall Workshop

Friday, Sept. 15 - Saturday, Sept. 16

Newberry Fire House Conference Center

Newberry, SC

www.southcarolinaclayconference.com

Presenter Doug Gray, with the assistance of Sandy Shore Singletary a Lander University Ceramics Professor, will demonstrate the exciting alternative firing techniques Saggars, Obvara, and Naked Raku processes in a hands-on workshop. Each of these techniques result in unique and exciting ceramic surfaces and expand the potential of a raku kiln.

Workshop participants will have the opportunity to fire (6) small clay works in these firings and then experiment with post-fire surface modification and sealing options.

**Registration Opens
July 20, 2023**

Cost - \$110

Alternative Raku Firing Processes
